

VC INNOVATES PATHWAY DEVELOPMENT PROCESS

1

NEW PATHWAYS

Identify pathways

Identify district or site pathway builders

Connect with VC Innovates Curriculum Department

Develop/confirm pathway

Select courses and teachers

Identify funding

2

CURRICULUM DEVELOPMENT

See if course exists

Join Industry Learning Community Curriculum Development Group

Develop curriculum

Apply for A-G approval

Articulate to the Community College

3

IMPLEMENTATION

Submit to district board for approval

Submit to school catalog

Enroll teachers in certification (if the course requires it)

Purchase textbooks and equipment

4

COURSE REVIEW PROCESS

Industry Learning Communities meet once a semester

Discuss successes and failures in course design

Alter courses as needed

IMAGINE

ENGAGE
